St. Francois County,

**SUNDAY IN THE PARK WITH SOUSA**— The Mineral Area Council on the Arts and the City of Desloge presented a free, two-hour performance of the Compton Heights Concert Band Sunday afternoon at the gazebo in the Desloge City Park. A large crowd turned out to enjoy the stately strains of John Philip Sousa, the swinging be-bop of

Glenn Miller, and the lively patriotic airs of George M. Cohan during the Flag Day and D-Day tribute. Dr. Gregory Fox served as conductor and Robert Ellison was the featured soloist. The old-fashioned band last performed in the area two years ago at Farmington's Long Park.
