Once You've Lived in South St. Louis,  
*Nothing Else will do*

South St. Louis has been home to most of us for a long time. We know it. We love it. It is where we chose and still choose to live.

Tower Grove Manor has been part of this community for more than 31 years offering independent retirement living. Within two minutes of our front door are grocery stores, restaurants, dress shops, florists, pharmacies, bakeries, banks, beauty shops (though we have one right in our own building too!) and all the services we need.

We're close to hospitals, churches that have played roles in our lives, the YMCA, the park, the Missouri Botanical Garden, and three highways.

Most of all, we're right where we've always lived and worked and loved - with people sharing the same interests and the same values. Familiar faces from years spent in the community. At Tower Grove Manor we enjoy a feeling of family.

South St. Louis - there's nowhere else on earth to be!

Now offering an optional No-Entrance Fee Plan.
