The driving force behind the Compton Heights Concert Band is a preservationist philosophy to promote the American Concert Band, the unique American art form created by Patrick Gilmore in the 1860's and perfected by John Philip Sousa at the turn of the last century, and to play the fine concert band literature of yesteryear. Sousa's concerts were dubbed "the world's greatest pops concerts". In this tradition, a Compton Heights Concert Band concert features programming appealing to all ages and musical tastes; "something for everyone".

From its modest beginning in the Compton Heights neighborhood living room of band organizer and President, Harry F. Swanger, in 1976, the Band quickly became a metropolitan St. Louis area tradition, attracting over 50,000 listeners annually to its famed summer series, Sunday Serenades & Musical Mondays. Last year marked the 10th Annual highly successful Compton Heights Band Holiday Pops at Powell Hall. Performances in the past have included headliners such as Peter Nero, piano; Doc Severinsen, trumpet; and the perennial summer and Powell Hall crowd favorite, Hugh Smith, tenor. Other featured artists include: BBC Cardiff 2005 Singer of the World, Nicole Cabell; Arturo Sandoval, jazz/classical trumpet wizard; Sigrun Hjalmtysdottir, "Diddú", Soprano, David Morris, International Whistling Champion, Buckwheat Zydeko, Sukay, "Music of the Andes"; Alex Klein, Oboe; James Christensen, Walt Disney World; the late William Warfield, Baritone; Debbye Turner, marimba; Ricardo Morales, clarinet; the late Myron Floren, accordion; Keith Brion, Sousa portrayer; The Legend Singers; Robert Ellison, baritone; Gina Galati, soprano; and Beverly Stewart-Anderson.

Edward Dolbashian, Music Director & Conductor, is the orchestra and opera conductor at the University of Missouri, Columbia, The St. Louis Civic Orchestra (formerly the Clayton Symphony), and the Alton Symphony Orchestra. He was appointed conductor of the Compton Heights Concert Band in September, 1998. He is a professional oboist and an English Horn player, originally from New York.

Lucy Schroeder, announcer, is the wife of band vice-president and tubist Jon Schroeder, an original member of the Band!

In addition to weekly Band rehearsals, members devote thousands of volunteer hours at bingo at Bandwagon Hall on Friday and Saturday nights throughout the year. The Band is also supported by the Clifford Willard Gaylord Foundation, Foot and Ankle Associates, Missouri Arts Council, Regional Arts Commission, Southwest Bank, St. Louis Parks & Recreation Department, Tower Grove Park, and the Bandwagon Citizen Support Group.

**Immaculate Conception / St. Henry's  
Architect: Barnett, Haynes & Barnett**

In 2006, the Compton Heights Concert Band, in addition to presenting Sunday Serenades and Musical Mondays concerts, moved to its new home at 3120 Lafayette Avenue, St. Louis, MO 63104, the former Immaculate Conception/St. Henry Catholic Church and Rectory, just one block East of Compton and easily reachable by I-44 taking the Grand Blvd exit in either direction. The church provides us with a terrific rehearsal facility and plans are to convert it to a concert facility. The rectory serves as the location of the Band's office headquarters.

In April 2008, we closed on the purchase of the church and rectory! The Church and the Rectory were also just designated as National Historic Landmarks! Stay tuned for information on future activities at our concert hall, as well as a Capital Campaign to be announced soon to fund, renovate, and endow this wonderful, magnificent, historic complex! We will need Your Help!

**Harry Swanger, President  
www.chband.org**

A Gothic building in stone, dedicated in 1908 as the newest home of an Irish congregation. It stands on Lafayette Avenue on the city's near south side, less than a block from the bustle of I-44. Three rose windows punctuate the soaring interior; stained glass windows are even found inside the bell tower (which gives the appearance that it was meant to be raised to a greater height when funds allowed.) From Built St. Louis: City Churches [www.builtstlouis.net/churches/church18.html](http://www.builtstlouis.net/churches/church18.html). The same architects, Barnett, Haynes & Barnett, designed the magnificent St. Louis Basilica on Lindell. Many similarities have been noted.

## Moosic Says!

Join the Bandwagon and Show Your Support  
for this year's Band Concerts!

The Bandwagon allows you to make Tax Deductible Donations of \$65, \$100, \$150, \$250, \$500, \$1,000, \$2,500, \$5,000 or more to help us present these concerts each year!

Our Band members donate over 15,000 volunteer hours each year rehearsing, performing, and working at our weekly charity bingo. Without this extraordinary Band member effort, plus an earned budget of over \$400,000, there would be no Sunday Serenades and Musical Mondays. As Lucy Schroeder, our announcer, once said, "These concerts may be free for you, but not for us (the Band)."

It takes a village to make a Band and without grants, sponsors, bingo and the Bandwagon there would have been no series, no concerts, long ago. This year, in these difficult economic times and uncertainty, we ask for your special consideration.

Famed composer, arranger, and former Disney World Music Director, James Christensen, said about the Compton Heights Concert Band: "St. Louis is my favorite example of "The Good Old USA" and the Compton Heights Concert Band is one of the reasons. Your band draws fans of band music from all age groups, young families, students and senior citizens who remember and enjoy our wonderful tradition of performing marches (classic American music). Whenever Mr. Swanger asks me to come back and guest conduct your band I say yes! I feel at home with the "family" feeling I get from the musicians I have gotten to know over the years. You have a musical jewel! Take good care of it!"

Follow Moosic's and Jim's advice: Support this "Musical Jewel" and Hop on the Bandwagon!

YES! I want to support the CHCB Summer Band Concerts!
