

FOR YOUR BOOKSHELF

Compton Heights—A History and Architectural Guide; *by Carolyn Hewes Toft and Jane Molloy Porter*

Here it is, the concise and absorbing history of the neighborhood that sprouted your very favorite concert band! This enjoyable effort artfully chronicles the colorful story of one of St. Louis' most beautiful private places, complete with numerous photos of its grand homes and biographical sketches of the architects behind their design. Long home to our city's most prosperous German families, Compton Heights recently embarked upon its second century. **90 pages, 8 x 10, paperback; \$10.00**

Lemp—The Haunting History; *by Stephen P. Walker*

Once the Lempes were counted among the cream of St. Louis' social elite, and the wares of their brewery were known worldwide until Prohibition and a rash of family suicides marked the downfall of their dynasty. Today, there is convincing evidence that the Lempes are *still* with us—at least in spirit—keeping a watchful eye over the stately mansion they left behind. Learn all about the rise and fall of one of our country's most notable brewing families, in this, the first book ever published on the subject. Written by a member of the Band's saxophone section. **128 pages, 8 1/2 x 11, paperback; \$12.00**

Walking In Tower Grove Park; *by Robert E. Knittel*

Take a dreamy walk through America's finest Victorian strolling park, as the author minutely describes each change of leaf and bud, flower and tree, on your journey through the changing seasons and across more than a century of time. Bring this book along on your own personal walks through this pastoral setting, and you're certain to gain a deeper appreciation of the often-unnoticed wonders of Tower Grove Park, one of only four urban parks to be designated a National Historic Landmark. Many of the park's design motifs are reflected in the illustrations. **105 pages, 6 x 9, paperback \$9.00, hardcover \$13.00**

Arch Celebration; Photographs by Tom Ebenhoh, Text by Steve Givens

This handsome edition is one St. Louis photographer's personal and moving commemoration of the 25th anniversary of the completion of the Gateway Arch. You'll marvel at Ebenhoh's compilation of images, which illustrate just some of the countless effects to be achieved through variations in light, shadow, color, and angle that make every trip to the Arch a unique and compelling experience. The text consists of interviews with everyday people: those who live and work in the shadow of Saarinen's great curve, those who built it, and some of the millions who have visited it. **96 pages, 9 x 11, paperback; \$15.00**

A Gift To Glory In; *by William Barnaby Faherty, S. J.*

The story of the first 100 years of the Missouri Botanical Garden, by one of our city's most knowledgeable and prolific authors. A gift to the people of St. Louis from Henry Shaw, you'll see how the Garden was first established, and how the ingenious Shaw and his colleagues developed it into one of the world's most respected centers of botanical science. Faherty's scholarly writings also provide insight into the relationship between the Garden and Shaw's other living legacy, Tower Grove Park. A must for every student of St. Louis history. **234 pages, 6 x 9, paperback \$15.00, hardcover \$25.00**

Band History

Whether it's an antique clock, a vintage automobile, or a stately old house, perhaps you have felt that certain sense of satisfaction that comes from restoring and breathing life into some relic of a bygone day. That same preservationist philosophy is the driving force behind the Compton Heights Concert Band of St. Louis and our efforts to promote and perform the fine concert band literature of yesteryear.

The Band was organized in 1976 by Band President, Harry Swanger, and initially provided music for Compton Heights Neighborhood events. Numbering only eighteen members at its first performance, the Band has since grown to include over seventy volunteer, student, and professional musicians from throughout metropolitan St. Louis.

"MUSICAL MONDAYS", the Band's eight week summer series of old-fashioned band concerts, held annually since 1980, is held in the Henry Shaw Memorial Bandstand in Tower Grove Park, recently designated a national historic landmark. The Band's other popular series, "SUNDAY SERENADES", at Francis Park in south St. Louis, began in 1986. They are two of the city's favorite musical traditions, attracting over 50,000 listeners annually.

In keeping with the traditional Sousa-style program, each concert features a different instrumental or vocal soloist. Over the years the Band has had the honor of performing with some of the nation's most talented musicians, among them William Warfield, James Christensen (director of music at Disney World in Florida), Dr. Leonard Smith, Debbye Turner, Miss America 1990, and Arturo Sandoval. During the 1987 season, the Band gave the world premier performance of a specially commissioned piece written by Robert Wykes, composer-in-residence at Washington University. The next year the band had the distinct privilege of hosting the national convention of the Association of Concert Bands, an occasion marked by Missouri House and Senate Resolutions. Most recently, the Compton Heights Concert Band has been acclaimed by audiences in Hermann, Joplin, Farmington and St. Joseph, Missouri, under the Missouri Arts Council Touring Program and other sponsors.

To help finance its many expenses, the Band depends upon individual and corporate donations, concert sponsors' fees, a weekly Bingo, sales of T-shirts and other souvenirs, and BANDWAGON memberships. Support also comes from such organizations as The Missouri Arts Council, The Regional Arts Commission, The Arts and Education Council, The Monsanto Fund, and the Clifford Willard Gaylord Foundation.

If you would like more information, please call the band office at 776-2227, or write to The Compton Heights Concert Band of St. Louis, 2335 S. Grand, St. Louis, Missouri 63104.

Flora will give elephant rides for young and old alike for a \$3.00 minimum donation for the benefit of Circus Flora and The Compton Heights Concert Band before the concert and during intermission.

Flora says: "Only elephants should wear ivory."

Circus Flora was formed in 1985 by Ivor David Balding, Sheila Balding Jewell, Samuel Rea Jewell and Alexandre Sacha Pavlata to acquaint American audiences with the magic of an old-fashioned circus. The circus performs in the intimate setting of its own tent, where audiences gasp in amazement as performers walk on wires of steel, juggle, dance on the backs of galloping horses, and fly through the air.

After its first appearance at South Carolina's famed Spoleto Festival USA in 1986, Circus Flora has returned twice, most recently in 1991. It is the only performing arts group to be honored with three appearances at the internationally acclaimed Festival.

Circus Flora is a constituent of Grand Center, the arts and entertainment district in midtown St. Louis.

Progress Report
MUSIC STAND RESTORATION

The replication of the composers' busts by WUTA is progressing well. When the duplicates are installed on the columns, the sharpened details will once again convey the character of the individual composers: Wagner, Verdi, Rossini, Gounod, Mozart and Beethoven. The originals will eventually be displayed in the Palm House

Many different repairs and grafts have been made to the bandstand and the surrounding area which are not readily noticeable but will contribute to the longevity of the this park treasure.

The light grey finish of the new paving repeats the the color of the original fine gravel walks.

Eight cast iron and wood benches are on order for the circle around the music stand.

When the cast aluminum fittings for the tops of the eleven new street lights arrive, more light for the area will be available.

The Gateway Foundation is matching all donations to the Music Stand Restoration Fund 3 for 1. Thus each dollar contributed will be matched with three by the foundation, a very generous offer. The park needs to raise about \$27,000 in additional funds to meet its share of \$50,000 of the total cost of \$200,000. The Garden Club of St. Louis has contributed most of what has been received.

Please send donations to Tower Grove Park, 4255 Arsenal St., St. Louis, MO 63116.

Sunday Serenades and **Musical Mondays** are sponsored by: Commerce Bank; Boatmen's Bank, Southwest Bank; Bethesda Eye Institute; The Regional Arts Commission; The Missouri Arts Council; The Arts and Education Council; The Music Performance Trust Funds as arranged by Local 2-197, American Federation of Musicians; The Clifford Willard Gaylord Foundation; Monsanto Fund; IBM; St. Louis Parks, Recreation and Forestry Dept., Evelyn Rice, Director; Compton Heights Concert Band of St. Louis.

U. S. Recording Companies fund in whole or in part the instrumental music for this performance, as arranged by Local 2-197, American Federation of Musicians.
