**Help us celebrate our 20<sup>th</sup> Anniversary and many more!**

**Can you imagine summer without the Compton Heights Band?**

What would you replace it with? Where else could you hear world class artists such as Arturo Sandoval and Hugh Smith without an admission fee? Where else could you hear stirring Sousa marches, familiar symphonic favorites and nostalgic Broadway medleys presented in magical venues evoking a midsummer night's dream? How would you replace the 20,000 volunteer hours a year logged by band members in making these concerts possible? Isn't a concert worth at least \$6.50 a person, the cost of a bag of peanuts and a soda at the ballpark?

**What You Can Do**

As you may know, arts funding today is extremely hard to come by. That's why at great personal sacrifice our members keep our volunteer charity bingo operation going with our own two bingos every week, 52 weeks a year, for the last 15 years! Inflation has taken its toll, too. We are counting on your help -- everybody's help this year -- our 20<sup>th</sup> Anniversary of *Musical Mondays* -- to keep this great tradition alive.

Join the **Bandwagon** today!
