## The Compton Heights Concert Band

Whether it's an antique clock or a stately old house, perhaps you have felt the sense of satisfaction that comes from restoring and breathing life into some relic of a bygone day. That same preservationist philosophy is the driving force behind the Compton Heights Concert Band of St. Louis and our efforts to promote and perform the fine concert band literature of yesteryear.

The band was organized in 1976 by band President, Harry Swanger, who formed the band to provide music for Compton Heights neighborhood events. The band started in his livingroom with just a handful of musicians. Today, the band numbers over 50 volunteer, student and professional musicians who annually present 30 concerts in St. Louis and outstate Missouri.

The band began an eight week summer concert series in 1980 in Tower Grove Park and added a sister series in Francis Park in 1986. These concerts, dubbed Sunday Serenades and Musical Mondays, attract 50,000 listeners annually. Under the auspices of the Missouri Arts Council Touring Program the band annually tours in outstate Missouri and has been acclaimed by audiences in Hermann, Joplin, Farmington, St. Peters, Cape Girardeau, and Ste. Genevieve.

Featuring John Philip Sousa-style programs, each concert includes outstanding soloists. Some of the nation's most talented musicians have appeared, including Arturo Sandoval, Sukay-music of the Andes, Ricardo Morales, Robert Ellison, William Warfield, Debbye Turner, Buckwheat Zydeco, the Nuclear Whales Saxophone Orchestra, The BNFL British Brass Band, Jan Gippo, Beverly Stewart Anderson, Gail Lennon & the Lennon Brothers, and tenor, Hugh Smith.

Gregory C. Fox was appointed Conductor in September 1992. He finds the audiences "the greatest" and the opportunity to conduct the band "unique". He holds a Doctor of Education in Music Education from the University of Illinois at Champaign-Urbana, studying conducting under the noted Harry Begian. The announcer is Lucy Schroeder, wife of band vice-president and tubist Jon Schroeder. Lucy injects a lively sense of humor and energy into concerts and helps the audience gain a deeper appreciation of the music the band is presenting.

Volunteers in the band contribute over 20,000 hours annually to make our concerts possible. In addition to weekly rehearsals and the busy concert schedule, many band members have devoted thousands of volunteer hours at our Friday night and Saturday daytime charity bingos at Bandwagon Hall, 6245 Lemay Ferry Road. The band is also supported by the Regional Arts Commission, St. Louis Parks & Recreation Department, Southwest Bank, Clifford Willard Gaylord Foundation, Missouri Arts Council, Arts & Education Council, AmerenUE Award, and Commerce Bank.

## Introducing! The Carol Joy Brooks Memorial Band Shell

The Compton Heights Concert Band received exciting news just a few weeks ago that a benefactor, Dr. Merton H. Brooks, was ready to make a major donation to the Compton Heights Concert Band. The gift was to be in honor of his late sister, Carol Joy Brooks, a long time Bandwagon member and fan of the Compton Heights Concert Band. The memorial chosen was a new mobile, performing stage for the Compton Heights Concert Band, to replace the old one, a 1960's version, manufactured by the Wenger Manufacturing Company, Owatonna, Minnesota. The thought of a new, state-of-the-art Wenger "Encore" portable stage with an amazing remote controlled hydraulic "crab" style canopy and extended stage, stage-hand friendly platforms, improved lighting, and much more, was breathtaking!

As a result of this generous memorial donation of \$80,000 by Dr. Merton H. Brooks, the largest single donation in the 22 year history of the Compton Heights Concert Band, we have added a spectacular, much needed asset to the Band and for our audience! The new stage is used at all our *Sunday Serenades* concerts in Francis Park and is available for rental from the Compton Heights Concert Band.

Pictured are the new stage and Harry F. Swanger, Band President/ Executive Director accepting the donation from Dr. Merton H. Brooks.

The fulfillment of our dream with the **Carol Joy Brooks Memorial Band Shell** is just one of the many needed items on a wish list we have been accumulating for years. Now, we are asking you and people you know who may be able to help us meet the following partial list:

New Truck for pulling the stage	\$38,000
Concession Van/Trailer	\$50,000
Percussion Equipment	\$25,000
Painting all band vehicles	\$ 8,000
Mailing/address corrections postage	\$ 2,800
Additional Steps/Platforms	\$ 5,000
New Stage Insurance	\$ 5,000
